## Preschool

January 2018

We hope that you and your families had a safe and happy holiday season. Thank you for the thoughtful gifts that you brought for our wonderful staff! Everyone appreciated and enjoyed them all! The children had a great time with the holiday activities that went on here at the center and as we begin this New Year, we are looking forward to a lot more fun!

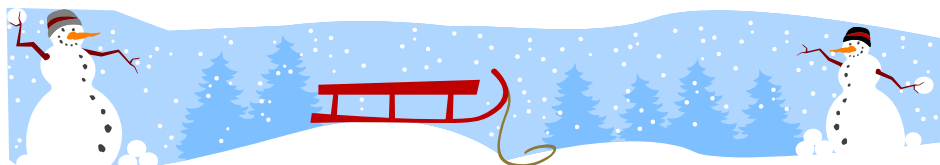

The curriculum themes for this month are as follows:

- Preschool 1 and 2 - "Dinosaur Dig"
- Pre-Kindergarten - "Measuring"

All of our special programs (Art, Music, Spanish, Phys Ed, Dance Class, and Power Tots) will resume in early January.

Please make sure that your child has extra clothes appropriate for the season in their spare box. We especially need socks, pants and underwear in their boxes.

Thank you!

# Closings
