

# A CHILD'S PLACE AT HOLLIN HALL

## Website Acknowledgement

In order to become more environmentally friendly, we have put the Parent Handbook, the Emergency Preparedness Plan and many of our required forms on our website ([www.hollinhall.com](http://www.hollinhall.com)). There are downloadable versions if you would like, or need, a hard copy. We also post the lunch and snack menus each month and the classroom calendars of activities. Please sign and return the bottom of this form to the office by the end of your child's first week with us to acknowledge that you understand where to access these items.

---

I have read and explored the website of A Child's Place at Hollin Hall.
